STUDENT REVIEWS

"BEST TRAINING IN THE COUNTRY!"

"Eikonic Academy is amongst the best training facilities in the country. When you walk in, everything is pristine. The attention to detail in the facility is amazing. I had the opportunity to take their Barber Navigation and Mizutani Scissor Cut class. The knowledge and experience from Martin is truly impressive, and his facilitation skills are some of the best I've seen! Would highly recommend this academy to just about anyone already in the industry, or interested in taking the leap!" - @drebucci

"ANYONE FROM NOVICE TO SEASONED COULD BENEFIT"

Took the Barber navigation workshop. Highly recommended! Very knowledgeable instruction and everyone got the attention they required to achieve their goals! Anyone from a novice to a seasoned hairstylist could benefit from the workshop. Thanks Martin! I'm going to go out and buy a rubber duck now! - K Klein
