BARBER NAVIGATION 3 DAYS

Experience : All Levels

In this intensive 3-days hands on workshop, you will learn to navigate popular barbershop – reality mens haircuts using the Eikonic Barbering System. This step-by-step system of mens cutting is designed to help you navigate shorter on-scalp haircut styles and combines both traditional classic scissor techniques as well as modern fade techniques. Work smarter- not harder - find out the secret to why we start our haircuts 'in the middle'

START DATES PLEASE SEE WEBSITE

OVERVIEW

Eikonic's 3 fundamental men's haircut elevation will help you unlock a new way of strategizing mens cuts allowing you to save time. Seamlessly combine a crisp bald fade with lengthier scissor techniques for infinite creative combinations with Eikonic's proprietary blending techniques such as Cross Hatching and Pointillism.

Key learning objectives

- Connecting fade into lengthier crown
- Learn how to avoid unforgiving mistakes
- Plan your work around irregular head shapes
- "Get rid of the line"
- Learn not just how to cut - but why

Day 1 Scissors & Hair Geometry

- The importance of Eikonic's 3 Core Elevation Haircuts
- Barbering terminology
- Scissor over comb
- Scissor handling and texturizing techniques
- Free-hand shear cutting
- Styling & finishing techniques
- Mens off-scalp 45' and 90' elevation core cut

BARBER NAVIGATION

"LEARN HOW TO CONNECT THE FADE TO THE TOP"
